Hello, I'm going to show how you can set which voice the app uses to speak things within the app. First we go to settings. We do that via the little person icon at the top right.

Then we tap on app settings. And once we're there, we can see right at the top that we can choose between all sorts of voices. It's currently set to a Belgian voice. Let's say we try this one.

Hello, my name is male voice 1. Netherlands, and I am a Dutch voice. We can also test a female voice.

Hello, my name is female voice 1. Netherlands, and I am a Dutch voice. Then we can simply leave the settings.

If we then tap on an example, we'll see that the new voice is set.
